STATE OF MONTANA
FISH AND GAME DEPARTMENT

1960 MIGRATORY WATERFOWL REGULATIONS 1960

By order of the Montana Fish and Game Commission, the State of Montana is opened to hunting of migratory waterfowl under the regulations listed below:

DUCKS:

Open Season: October 8 at noon until sunset and daily thereafter from one-half hour before sunrise until sunset. Season closes November 26 at sunset.

Daily & Possession Limit: Daily limit of four ducks and after opening day a possession limit of eight ducks. No more than one wood duck and one hooded merganser may be included in the daily or possession limit. No canvasbacks or redheads may be taken.

Six coots may be taken in the daily limit and twelve may be in possession after the first day of hunting. The daily limit of red-breasted and/or American mergansers will be five and ten may be in possession after the opening day. Only five mergansers in the aggregate may be taken daily and the aggregate possession of mergansers is ten.

GEESE:

Open Season: October 8 at noon until sunset and daily thereafter from one-half hour before sunrise until sunset. Season closes November 26 at sunset.

Daily & Possession Limit: The daily and possession limit will be five geese. Not more than two Canada geese or one white-fronted and one Canada goose will be allowed in the daily or possession limit and not more than six Canada geese may be taken during the entire season.

WATERFOWL CLOSURES : Beaverhead, Gallatin and Madison counties will remain closed to the hunting of snow geese. Other closures include: McLaren Reservoir Waterfowl Closure in Blaine County, North Chinook Reservoir in Blaine County, Tongue River Area in Custer County, Musselshell River Closed Area in Golden Valley County, Management Area No. 8 on the Milk River Waterfowl Development Area in Phillips County, Freezout Lake Waterfowl Development Area in Teton County, Yellowstone River Closed Area in Rosebud, Custer, Treasure and Fallon Counties.

MEANS OF TAKING: Migratory waterfowl may be taken only with bow and arrow, or with a shotgun not larger than ten gauge and incapable of holding more than three shells fired from the shoulder. Migratory waterfowl may not be taken from or by means, aid or use of a sinkbow (battery), motor-driven conveyance, motor vehicle or aircraft of any kind. (See other prohibited methods in Federal Regulatory announcement). Use of any electronic or phonographic waterfowl calling device is illegal.
